Disclaimer and Warning

Congratulations on purchasing your new DJI OSMO™ product. The information in this document affects your safety and your legal rights and responsibilities. Read this entire document carefully to ensure proper configuration before use. Failure to read and follow instructions and warnings in this document may result in serious injury to yourself or others, damage to your DJI OSMO product, or damage to other objects in the vicinity. This document and all other collateral documents are subject to change at the sole discretion of DJI OSMO.

By using this product, you hereby signify that you have read this disclaimer and warning carefully and that you understand and agree to abide by the terms and conditions herein. You agree that you are solely responsible for your own conduct while using this product, and for any consequences thereof. You agree to use this product only for purposes that are proper and in accordance with all applicable laws, rules, and regulations, and all terms, precautions, practices, policies and guidelines DJI OSMO has made and may make available.

DJI OSMO accepts no liability for damage, injury or any legal responsibility incurred directly or indirectly from the use of this product. The user shall observe safe and lawful practices including, but not limited to, those set forth in this document.

Notwithstanding above, your statutory rights under applicable national legislation are not affected by this disclaimer.

OSMO is a trademark of SZ DJI OSMO TECHNOLOGY CO., LTD. (abbreviated as "DJI OSMO") and its affiliated companies. Names of products, brands, etc., appearing in this document are trademarks or registered trademarks of their respective owner companies. This product and document are copyrighted by DJI OSMO with all rights reserved. No part of this product or document shall be reproduced in any form without prior written consent of or authorization from DJI OSMO.

Introduction

The Build-Your-Own Power Cable powers an external device by connecting the device to the 14.4V Accessory Power Port on the RONIN™ 2. The red wire is a 14.4V power cable, and the black wire is for the ground (GND).

Usage

Visit <http://www.dji.com> to learn more about how to use this product.

Specifications

Length: 300 mm

Please refer to <http://www.dji.com/service> for after-sales service for your product where applicable.

DJI OSMO shall mean SZ DJI OSMO TECHNOLOGY CO., LTD. and/or its affiliated companies where applicable.
